Footnotes:

a/ The recommended PS level considered the adoption by the CITEM of the Compensation and Position Classification System (CPCS) authority per Governance Commission for Government-Owned or Controlled Corporations (GCG) approval dated January 26, 2022, pursuant to Executive Order No. 150 dated October 1, 2021.

b/ The approved MOOE level is computed considering the Center's absorptive capacity for the three (3) immediately preceding years, in which the highest budget utilization rate (BUR) is applied to MOOE items, other than those covered by NG subsidy which are recommended as proposed. The variance of P1,037,000.00 pertains to the effect of the preceding year's BUR.

c/ The recommended CO level considers the implementation-readiness of the projects and activities under the respective CO items which are expected to be completed within the year as certified by the Center.

The procurement of transportation equipment in the amount of P2,775,000.00 is duly approved by the Department of Budget and Management (DBM) through the attached Authority to Purchase Motor Vehicles (APMV) No. C-24-0055.

Notwithstanding the abovementioned variance in MOOE, the CITEM still has the flexibility to modify its utilization within the total DBM-approved budget level.
