TERMS OF REFERENCE

FOR THE HIRING OF PROFESSIONAL PHOTOGRAPHY AND VIDEOGRAPHY SERVICE PROVIDER FOR IFEX PHILIPPINES 2023 ON 26-28 MAY 2023 AT THE WORLD TRADE CENTER METRO MANILA

BACKGROUND

The Center for International Trade Expositions and Missions (CITEM) is mandated to market and promote the Philippines as a reliable source of quality export products and services in the global market through trade fairs and missions and other export promotional programs. CITEM enables local companies to become global champions through sustainable export programs and activities that promote Philippine products and service in priority markets.

IFEX Philippines is CITEM's signature event that has been providing food and beverage companies an international platform to promote their products and strengthen linkages with international buyers, importers, and retailers. It is the country's most respected business-to-business (B2B) sourcing platform for Asian food, ingredients, and specialty food items. Its overarching goal is to be a one-stop trade platform that provides a wide and diversified array of food and ingredients that's uniquely Asian to help buyers optimize their sourcing experience.

The 16th edition of IFEX Philippines to be held on 26-28 May 2023 at the World Trade Center Metro Manila (WTCMM), aims to bring together the future of Asia's food products, flavors and ideas into one special event. The show will host Philippine and international food champions including top Philippine manufacturers, exporters, consolidators, and food associations.

Product categories to be featured in the show include: beverages, fine food and specialties, fruits and vegetables, biscuits and confectioneries, snacks and crispy savory food products, meat and poultry, dairy products, cereals, grains and starch, seafood and marine products, organic and natural products, raw materials and food ingredients, and equipment and services.

Every edition essentially requires a full photography and videography coverage for the following purposes:

- Production of marketing and promotional materials (brochures, postcards, banners, billboards, posters, e-cards, etc.) for distribution to foreign and local buyers, Philippine Trade Posts and Embassies, as well as local foreign embassies, etc.;
- Public relations including publicity and advertisements (press/photo releases, ad copies for local and international broadsheets and magazines both in print and digital formats); and
- Online and social media publicity (social media accounts of CITEM and/or IFEX Philippines).

RATIONALE

Now in its 16th year, IFEX Philippines aims to further cement the country's reputation as a reliable source of premium-quality food and ingredients that is not only capable of meeting global demands but also offers some of the most distinct and innovative products on the market.

In order to effectively showcase a wide and diverse range of products, brands and activities, a dedicated team capable of providing a full photo and video event coverage is needed. However, CITEM's Communications and Creative Services Department (CCSD) cannot provide the required production team and professional equipment to effectively deliver the quality and quantity of outputs. With these limitations, there is a need to source for a Photography and Videography Service Provider to support CITEM in its content creation and promotional efforts.

SCOPE OF WORK

A. EXHIBITOR/VENUE PHOTOGRAPHY

Professionally shoot, photo document and capture the following:

- Exhibitor booths (approx. 500 exhibitors), best angles, preferably without people or with minimal distractions around and within the booth;
- Sample products (3 or more items) within each exhibitor booth that best represents the product line of the brand or company; and
- All angles, clusters, and details of the special setting namely, Flavor Finds.

B. EVENTS PHOTOGRAPHY

Professionally shoot, photo document and capture the following:

- All activities and special events of IFEX Philippines 2023 (registration, opening ceremony, VIP tour, guests, branded sessions, cooking demos, product sampling, etc.);
- Exhibitor, buyer, visitor and product interactions; and
